

## UPU Remuneration Workshop 2026 Guest Lecturer, UPU

### Mr. Vytis Staskevicius

*Remuneration Development Expert, UPU*

With over 15 years of dedicated experience in the international postal sector. Mr. Vytis Staskevicius is a **leading expert** in postal economics and financial frameworks. He serves as the **primary focal point** for Universal Postal Union (UPU) member countries on all critical matters relating to **terminal dues, parcel rates, and transit charges**.

In addition to guiding member nations through complex rate structures, he serves as **Assistant Secretary to the Remuneration Integration Group**.

In this key role, he contributes directly to the **design, development, and implementation of global remuneration methodologies**, helping shape the remuneration frameworks that connect the international postal network.
